2.0 CONTACT HOURS PER CLASS

Acute Head Injury: Prehospital and Acute Care Management of the Head Trauma Patient

UMC Health System is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

*UMC EMS is a licensed EMS CE provider with Texas Department of State Health Services (license #100648). This CE is approved for both Texas or NREMT recertification needs. *New Mexico licensed EMS staff will need to evaluate transferability of CE credit with their state licensing authority, approved for National Registry

January 12th | 1:00pm – 3:00 pm CST
Teams Live Event

https://teams.microsoft.com/join/19%3ameeting_ODYxZjFjY2UtNDgzMC00MWlyLWI2Y2ltMjUyZjJhNGM5YTRh%40thread.v2/0?context=%7b%22Tid%22%3a%22b76cdfb-50a3-4e84-9001-11794ab4f2aa%22%2c%22Oid%22%3a%226408cf3a-2e43-4e5f-ae7e-6b9e739cc6c2%22%2c%22IsBroadcastMeeting%22%3a%7d

Learning Outcome: The RN and learner will have increased knowledge and application of first line treatments for primary head injuries, resulting in lessened secondary injuries for head trauma patients to improve patient outcomes.

Presented by:

UMC EMS Services in collaboration with

Trauma & Burn Services Department, University Medical Center

Gerad Troutman M.D., FACEP, FAEMS – Lubbock Area Prehospital

Consortium Medical Director

Robyn Richmond M.D., F.A.C.S. – UMC Assistant Trauma Medical Director

Chad Curry LP, FC-P – UMC EMS Training Chief

Do I Need to Register?

No! The Teams link is public, anyone can join! Once you are in the event, you will need to open the chat box/Q&A box and follow the instructions provided. The instructions will include to post your name and email address for attendance purposes.

Free Continuing Education is provided?

Yes! 2.0 Contact Hours of Continuing Nursing Education will be provided to those that complete the post presentation evaluation *in a timely manner!* The link to the evaluation will be provided at the end of the presentation. Your completed evaluation will be matched with your attendance, in order to award you CNE credit.

EMS providers can obtain their CE credits by completing the requirements as outlined here:

<https://umcemsce.com/>

Regrettably, at this time, we are not offering CME credits for providers.

Will you have additional educational opportunities in the future?

Yes! Although we currently have limited details available, we are committed to meeting every educational need within the region!

Please visit our website to view and request specific education opportunities. The list will continue to grow!
